Transferring ISAs to the Vantage Stocks & Shares ISA (New ISA)

Section 1

Personal Details

Please complete all your personal details, including your date of birth and National Insurance Number.

Section 2

Nominated Bank Account & Income Instruction

Please tell us what to do with any income paid by your investment and provide details of your nominated bank or building society account.

Q. What is a nominated bank account?

A. If you withdraw money or ask us to pay out income from a Vantage ISA we will transfer this money directly to your nominated bank account. You can change your nominated bank account at any time, however you cannot nominate more than one bank account. The details you provide on this application will override any existing nominated bank account you may previously have chosen.

Q. How does the income instruction work?

A. The income instruction you choose on your application form will apply to your whole Vantage Stocks & Shares ISA. If you already hold a Vantage Stocks & Shares ISA, the instruction you provide on this application will supersede the current instruction on that account.

Choose option A for automatic reinvestment. We will automatically reinvest income for funds, shares and other investments when it reaches £10 per holding. A dealing commission of 1% will apply (£1 minimum, £10 maximum). When you buy funds we will purchase accumulation units if available.

Choose option B to have income paid out to your nominated bank or building society account. When you buy funds we will purchase income units if they are available.

Choose option C to have income held on deposit as a cash balance within your Vantage Stocks & Shares ISA, pending your further instructions. When you buy funds we will purchase accumulation units if they are available.

If you leave the income option blank and you already hold a Vantage Stocks & Shares ISA, we will look at what you have told us previously; alternatively if this is your first investment we will hold any income on deposit as described in option C.

Section 3

Declaration

Please ensure you have read and agree to this declaration before you transfer.

Section 4

ISA Transfer Authorities

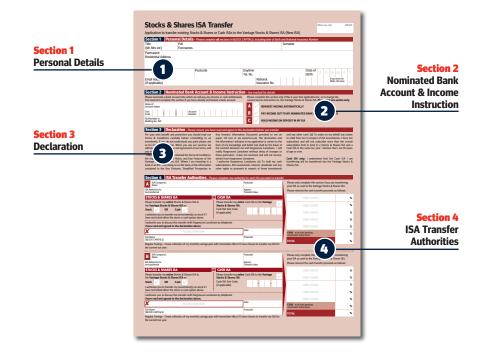

These details are available on your statement, or from your current ISA provider. By signing you are agreeing to the declaration in section 3.

Q. What is the difference between a stock and a cash

A. Stock transfers are where your existing holdings are simply moved across to the Vantage Stocks & Shares ISA exactly as they are.

Cash transfers are where your current provider sells your holdings, transfers the proceeds to us, and we reinvest it in the funds you have chosen on the transfer form or, if you have asked us to, hold it as cash in your Vantage Stocks & Shares ISA. You are out of the market while a cash transfer takes place. This may work in your favour if the market falls but if it rises you will not benefit from any growth while you hold cash.

Whether you transfer an ISA as stock or as cash, your ISA wrapper is preserved.

Q. Are there any charges to transfer?

A. We do not charge any joining fees, however your current provider may levy a transfer fee.

Funds held in a Stocks & Shares ISA: for details of which providers levy fees, please see the table opposite. If you cannot see your current provider listed, or you would like to check any terms, please contact our Helpdesk on **0117 900 9000**.

Shares held in a Stocks & Shares ISA: if you hold shares with another stockbroker they may charge a transfer fee; however, we may be able to contribute towards this. Please call our Helpdesk on **0117 900 9000** before completing your transfer form.

Cash ISAs: your current provider may levy an exit fee, particularly if your Cash ISA has a fixed term or maturity date. Please check this directly with your provider.

Q. Can I transfer part of my ISA?

A. Some providers will allow a partial transfer; please check this directly with your provider or call our Helpdesk on **0117 900 9000**. To transfer part of a holding only please attach a clear, signed covering letter to your completed transfer form, stating you wish to make a partial transfer and detailing exactly which holdings you wish to transfer.

Q. Can I transfer a Cash ISA?

A. Yes, you can. The Stocks & Shares ISA Transfer form allows you to transfer an existing Cash ISA into the Vantage Stocks & Shares ISA. If you choose to invest in stock market investments please remember these can fall as well as rise in value, so your capital is not guaranteed.

Could you transfer free of charge?
