

LIFETIME ISA (LISA) CHARGEABLE WITHDRAWAL FORM

Use this form to make a chargeable withdrawal from your Lifetime ISA. If you want to make a withdrawal for an eligible house purchase or because of ill health, you'll need to fill in a different form. You can request this either by calling us on 0117 900 9000 or visiting www.hl.co.uk.

FAO: Client Accounts

Important information:

- Your withdrawal will be subject to a 25% government withdrawal charge (20% if made between 6 March 2020 and 5 April 2021), so you could get back less than you put in.
- If you ask to withdraw your entire Lifetime ISA and are due a government bonus, we'll usually wait until this arrives before making the payment. Bonus payments are usually received 4-9 weeks after your payment into the Lifetime ISA. If you don't want to wait for this, please call us on **0117 900 9000**.
- Please make sure you have enough cash available in your account before requesting a withdrawal – if you need to sell your investments you can do this by either logging into your account online, calling **0117 980 9800** or completing section 4. Dealing charges may apply.

Things to know:

- A settlement period normally applies to sales and we can only pay out your cash once the sale proceeds have settled in your account.
- If there are any fees outstanding we'll collect these from any cash available in your account first.
- If you're setting up or changing your nominated bank account in section 3, we'll send you a code in the post to validate your account. We won't be able to make a payment until this has been done.

Please return this form in the pre-paid envelope provided or to:

LIFETIME ISA WITHDRAWAL – QUESTIONS AND ANSWERS

When will I be charged?

We'll deduct the 25% government withdrawal charge before paying your cash to you.

For example, if you request a £1,000 withdrawal we'll deduct £250 and pay the remaining £750 to you.

For withdrawals made between 6 March 2020 and 5 April 2021 the withdrawal charge is reduced to 20%. In the example above this would mean a withdrawal charge of £200 with £800 being paid to you.

What happens if I withdraw my entire LISA?

Your account will be closed and we'll cancel any Direct Debits you've set up. You'll need to leave £50 in your Lifetime ISA to keep it open.

Remember, if you've paid into a Lifetime ISA this year you won't be able to open another Lifetime ISA until next tax year.

How much does it cost to sell my investments?

Selling shares:

- Online: £11.95 per deal (as low as £5.95 for frequent traders)
- Phone and post dealing: 1% (£20 min, £50 max)

Selling funds – free

If you're instructing us to sell funds please make sure you tell us both the name of the fund management company (e.g. Jupiter) and the name of your chosen fund (e.g. Global Strategic Bond).
